

Construction Notice

Union Station Rail Corridor – Notice of Work

June 3 & 4, 2023 8 PM – 5 AM

What You Need to Know

In early June Metrolinx & OnTrack Alliance will be completing work within the Union Station Rail Corridor to determine nominal conduit routes. Work will occur in the John Steet area and overnight work is expected to take place. Due to complexity of work and confined working space, hydrovac excavation is necessary. Hydrovac excavation utilizes high pressure water to break up dirt and material and suctions it away.

Residents, business, and the community can expect overnight work with some noise and vibration impacts. Metrolinx and OnTrack Alliance will always work to minimize community impacts such as noise, vibration, dust, and lighting.

Information as of: May 2023

WHAT TO EXPECT

- You can expect overnight work for the duration of the work period specified
- Overnight work is required so our trains can run throughout the daytime period.
- The typical method of construction for this type of work would include an excavator. However, due to the complexity of the work and confined working space, a hydrovac truck is the only option available to complete this work.
- Hydrovac excavation is when high pressure water is used to break up soil.
- Residents will hear loud noises from hydrovac trucks during overnight hours.
- Work crews have been instructed to minimize the use of hydrovac equipment where possible

HOURS OF WORK

- This work will take place overnight on weekdays from 8 p.m. to 5:00 a.m.
- Work is being completed during the night time to avoid disruption to our elaborate transit system
- Productivity each night varies depending on a variety of factors such as weather.

TRAFFIC DETAILS

- There are no anticipated traffic impacts.

PEDESTRIAN DETAILS

- There are no anticipated pedestrian impacts.

TRANSIT INFORMATION

- There are no anticipated transit impacts. Trains will operate as scheduled throughout the day. Train schedules may vary based on service changes.

OTHER INFORMATION

- We have a dedicated Community Engagement team in place to work with residents and the communities where we operate.
- If you have any questions or concerns please review the contact information on the notice at the bottom of this page.
- Please do not hesitate to reach out to the Toronto West Community Engagement Team if you have any questions, comments, or concerns.
